Thank you for your gift to the Urban League of Greater Pittsburgh!

Through partnership with you, the Urban League of Greater Pittsburgh can continue to have a significant, positive impact on the quality of life in Southwestern Pennsylvania in many ways, including by -

- *Improving health outcomes for children, mothers, and families;*
- *Continuing extra-curricular programs that help to narrow the achievement gap between African American and other students,*
- *Encouraging literacy and early school success through the development and nurturing of family reading habits,*
- *Identifying and addressing obstacles to self-sufficiency through employment training and counseling,*
- *Increasing tolerance and diversity in our region through leadership referrals to corporate, non-profit and government boards and advisory groups,*
- *And through many other significant programs and activities.*

Your contribution will help us to continue the Urban League of Greater Pittsburgh's mission of enabling African Americans to secure economic self-reliance, parity and power, and civil rights.
