

URBAN LEAGUE OF GREATER PITTSBURGH'S

# DIGITAL CONNECTORS

The Digital Connectors program sponsored by the Urban League of Greater Pittsburgh's is a rewarding opportunity for young adults in grades 9-12 as of September 2017. Digital Connectors is one of the STEAM (Science, Technology, Engineering, Agriculture (Arts) and Math programs under the Urban League's Tech U technology initiative. Our program focuses on building 21st century skills as well as an overall well rounded individual that can give back to their community. The program is totally free and is held after school on Tuesday from 4:30pm to 6:30pm at the Urban League of Greater Pittsburgh, 610 Wood Street, Pittsburgh, PA 15222. Snacks will be provided as well as transportation is available for students who need assistance. The interactive program will cover topics such statistical modeling in conjunction with the Urban League Project Ready STEAM Program, diversity in STEAM, financial literacy, career development, and leadership.

As a Digital Connectors student, you will have exposure to post-secondary education, introduction to various STEAM careers, and lastly, as a program participant you will give back to your community by participating in the Urban League's Annual Thanksgiving Distribution Drive, Comcast Cares Day April 2018, Urban League Sunday and other community events. These hours may be counted for community service hours required for many college, trade and employment applications.

*For More Information, contact Jane A. Lee, the STEAM Manager at [jlee@ulpgh.org](mailto:jlee@ulpgh.org) or call 412-227-4246.*
